AMC Star Great Lakes 25

Crew Lead

Auburn Hills, Michigan

2006-2008

A very rewarding job for the age and the social interaction of a well managed work environment. Was a diligent worker and advanced to crew lead quick. Was offered a chance towards management at the time but politely declined to pursue a career in software development.

Kyle Teeples Education

Baker College

2007-2009

Auburn Hills, Michigan

*Associates Degree *4 credits remaining*

Original plan to graduate June 2009 with an Associate in Computer Science. Current college credit in Excel, Access, Word, Security +. Cisco courses, networking, business communications, public speaking, and more. I switched paths to form the company that I'm creating today Studiowares. 9 credits left, including internship.

*Due to issues with this college I have not received my diploma, I completed the education but I'm at odds with this institution.

Comptia A+ Certification

2008

Auburn Hills, Michigan

IT Technician / Side Work Assistance

Paid for as thanks for assisting one of my college teachers who had difficulty communicating the course information. Also had the same instructor for Cisco Router Module Concepts, in which a similar situation existed.

Waterford Mott High School
